- Yes, I have remembered the United Way of Greater Lima in my will.
- Please send me information about the United Way of Greater Lima Endowment.

When the Endowment is large enough, its income will fund all United Way operations. This will direct 100% of campaign donations to health and human services.

As required by the Internal Revenue code, all contributions must have adequate documentation for auditing purposes when itemizing deductions. Please note that for auditing purposes you must retain a copy of this pledge form, as well as your payroll check stub that indicates your total payroll deduction amount for the year. Cash gifts require a copy of cancelled check, bank or credit card statement or written acknowledgement from United Way.
