#### **Independent Auditor's Report**

Board of Directors
The United Way of Greater Lima, Inc.

#### **Opinion**

We have audited the accompanying financial statements of The United Way of Greater Lima, Inc. (a nonprofit corporation), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The United Way of Greater Lima, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The United Way of Greater Lima, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The United Way of Greater Lima, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions; are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of The United Way of Greater Lima, Inc.'s internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about The United Way of Greater Lima, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Report of Supplementary Information

E SEwans and Company

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Allocations, Designations, and Grants are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.

# Notes to Financial Statements

June 30, 2023 and 2022

#### Note A – Summary of Significant Accounting Policies

#### Purpose of Organization

The purpose of The United Way of Greater Lima, Inc. is to mobilize and stimulate the interest and participation of the citizens of Greater Lima on behalf of worthy charitable, health, welfare, or allied purpose organizations. The United Way of Greater Lima, Inc. also solicits and receives contributions for its member agencies, then allocates and distributes these funds, thus reducing the expense of multiple fund-raising efforts and combining manpower.

#### **Program Services**

The United Way of Greater Lima, Inc. offers funding for community services and programs in the areas of: health, education, and financial stability. The United Way, along with the Mental Health and Recovery Services Board, provides funding for 211 and promotes this service in the community. The United Way funds program initiatives to ensure the community gets the education needed from preschool to the adult aging population. The United Way also funds programs that provide support to families and individuals struggling to meet their basic needs.

#### Basis of Accounting

The United Way of Greater Lima, Inc. prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by the Organization are described subsequently to enhance the usefulness and understandability of the financial statements.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Adoption of New Accounting Standard

The United Way of Greater Lima, Inc. adopted Accounting Standards Update (ASU) No. 2016-02 and the related amendments for the year beginning July 1, 2022. The Organization will use the modified retrospective approach under which leases existing at or entered into after July 1, 2022 will be recognized and measured. Prior-period amounts will not be adjusted and continue to be reflected in accordance with the Organization's historical accounting. As a result of this adoption, a right-of-use asset and a lease liability of \$22,447 were recognized as of July 1, 2022.

#### **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note A – Summary of Significant Accounting Policies (continued)

#### Financial Statement Presentation

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

<u>Net Assets Without Donor Restrictions</u> - Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting for the nature of the organization, the environment in which it operates, the purposes specified in it corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net Assets With Donor Restrictions - Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the organization must continue to use the resources in accordance with the donor's instructions. At June 30, 2023 and 2022, the Organization had net assets with donor restrictions of \$2,863,096 and \$3,095,610, respectively

#### Expense Allocation

The cost of providing various programs and other activities has been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. See Note J for additional information.

#### Property and Equipment

Property and equipment are stated at cost if purchased and at fair value if donated. The Organization capitalizes all major purchases made by The United Way of Greater Lima, Inc. Depreciation is computed using the straight-line method over the estimated useful lives of the capitalized assets. Total property and equipment costs are as follows:

|                                |    | Jui      | าe_ | 30,      |
|--------------------------------|----|----------|-----|----------|
|                                |    | 2023     |     | 2022     |
| Property and Equipment         | \$ | 43,362   | \$  | 43,362   |
| Less: Accumulated Depreciation | 8  | (36,658) |     | (32,257) |
| Net Property and Equipment     | \$ | 6,704    | \$  | 11,105   |

Depreciation expense for years ending June 30, 2023 and 2022 was \$4,401 and \$4,335, respectively.

# **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note A – Summary of Significant Accounting Policies (continued)

#### Pledges Receivable

The United Way of Greater Lima, Inc. has an annual campaign conducted in the fall of each year with payment of pledges normally occurring in the succeeding year. Pledges designated by the contributor to be remitted to other United Ways or to specific United Way member agencies are reflected as liabilities at the time the pledge is recorded. A fundraising and administration fee based on a three-year average of such costs is deducted from all designated gifts. The pledges, net of the administrative fee, are forwarded monthly or quarterly to the agency as they are received.

#### Allowance for Uncollectible Pledges

Provision for uncollectible pledges is historically computed based upon a three-year historical average applied to gross campaign, including donor designations. However, Board review of current economic conditions could cause an adjustment to this allowance. The uncollectible percentage to be used for the 2022 and 2021 Campaigns were set at 5%.

#### Revenue Recognition

Unconditional promises to give are recognized as net assets with donor restrictions in the period received. These revenues are then recognized as net assets without donor restrictions in the year they are allocated to member agencies. See the following note on allocations.

#### Allocations, Designations, and Grants

Allocations to member agencies are generally determined and paid in the succeeding year. The United Way is transitioning allocation payments from a calendar year payment schedule to a fiscal year payment schedule. Allocations declared during the year ending June 30, 2023 were the result of the campaign held in the fall of 2021. The total of these allocations was \$757,475. Allocations declared during the year ending June 30, 2022 were the result of the campaign held in the fall of 2020. The total of these allocations was \$757,500. The approved amount includes all pledges received from the campaign through the allocation date, as recommended by a volunteer committee of community citizens.

In addition, designations are paid as received and not subject to change or review by that committee. The donor designations paid during the years ending June 30, 2023 and 2022 were \$133,130 and \$49,995, respectively.

Beginning in 2017, the Organization began awarding grants to agencies on a discretionary basis as determined by the Board. The grant period runs from July to June, with funds being paid at the beginning of the period and after a progress update in the middle of the period. Grants awarded in the years ending June 30, 2023 and 2022 totaled \$76,600 and \$30,000, respectively.

#### **Notes to Financial Statements**

June 30, 2023 and 2022

# Note A – Summary of Significant Accounting Policies (continued)

#### Cash and Cash Equivalents

For the purposes of the statements of cash flows, the United Way considers all unrestricted highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### Prepaid Items

Payments made to vendors for services that will benefit periods beyond the current reporting period are recorded as prepaid items.

#### Note B - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor restrictions limiting their use, within one year of June 30, 2023 and 2022 are:

|                          |    | Ju        | ne : | 30,       |
|--------------------------|----|-----------|------|-----------|
|                          | 5  | 2023      |      | 2022      |
| Cash                     | \$ | 2,270,496 | \$   | 2,144,293 |
| Pledges Receivable (Net) |    | 416,781   |      | 355,429   |
| -                        | \$ | 2,687,277 | \$   | 2,499,722 |

There are no donor-imposed or contractual restrictions on the above-mentioned assets. Pledges receivable are subject to implied time restrictions, but are expected to be collected within the year.

In an effort to maximize the return on investments while maintaining liquidity, the Organization invests cash in excess of daily requirements in liquid investments (Note C).

#### Note C - Fair Values of Financial Instruments

The following methods and assumptions are used by The United Way of Greater Lima, Inc. in estimating the fair value of its financial instruments:

#### Cash and Cash Equivalents

The carrying amount reported in the Statements of Financial Position for cash and cash equivalents approximates fair value.

#### **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note C – Fair Values of Financial Instruments (continued)

#### Investments

Accounting principles generally accepted in the United States of America establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standards describe three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Fair value of assets measured on a recurring basis at June 30, 2023 are as follows:

| Investments: | _   | Fair Value |     | Quoted Prices in<br>Active Markets<br>for Identical<br>Assets (Level 1) | Significant Other<br>Observable<br>Inputs (Level 2) | 3 3 | Significant<br>Unobservable<br>Inputs (Level 3) |
|--------------|-----|------------|-----|---|---|-----|---|
| Fixed Income | \$  | 1,615,244  | \$  | 1,615,244   | \$<br>_   | \$  | -   |
| Mutual Funds |     | 23,975     |     | 23,975  | -   |     | 144   |
| ETPs         |     | 24,858     |     | 24,858  | -   |     | -   |
| Equities     | _   | 1,908,221  | - 1 | 1,908,221   |   |     | <del>-</del>                                    |
| Total        | \$_ | 3,572,298  | \$  | 3,572,298   | \$<br>  | \$  | <u>-</u>  |

Fair value of assets measured on a recurring basis at June 30, 2022 are as follows:

|              |     |            |       | Quoted Prices in |                      |     |                  |

#### **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note D - Loans Receivable

The loans receivable from Pangle Community Service Corporation represents the principal balance. These receivables were from a related party at the time of the transactions, and are considered interest free loans. Due to the related party nature of these loans, it was not deemed practical to apply the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification 825 (formerly Statement of Financial Accounting Standards No. 107, Disclosures about Fair Value of Financial Instruments) regarding these loans.

In 2013, Pangle borrowed \$114,894 for a new HVAC System for the building. In 2015, Pangle Community Service Corporation borrowed an additional \$45,000 to cover expenses related to the flood that occurred in June 2015. The total outstanding balance of these interest free loans at June 30, 2023 and 2022 was \$58,983 and \$65,983, respectively.

#### Note E - Endowment Fund

In 1991, an Endowment Fund was established with funds obtained through pledges from individuals in the community. These funds are to remain intact and invested with such investments subject to restrictions detailed in an investment policy approved by the Board. In addition, 20% of investment earnings are to be added to the principal on an annual basis, with the remaining income allocated to member agencies for special projects or programs, to be determined by the Board. The endowment fund balance at June 30, 2023 and 2022 is \$3,622,631 and \$3,475,103, respectively. The endowment funds consist of both net assets with donor restrictions and net assets without donor restrictions. The balance of net assets with donor restrictions in the endowment fund at June 30, 2023 and 2022 was \$1,734,496 and \$1,727,217, respectively with \$1,888,135 and \$1,747,886 being without donor restrictions at June 30, 2023 and 2022, respectively.

|                         | Year Ending June 30, 2023 |               |             |          |           |  |

| Ending Balance          | \$                        | 1,747,886     | \$ | 1,727,217   | \$ | 3,475,103 |  |

#### Note F - Pension Plan

The pension plan is an I.R.C. Section 403(b). The United Way of Greater Lima, Inc. funds 3% of eligible employees' salaries to the plan. Employees may also contribute to this plan. Pension expense for the years ending June 30, 2023 and 2022 was \$4,911 and \$4,605, respectively.

#### Note G - Restrictions of Net Assets

Net assets with donor restrictions for The United Way are comprised of: contributions to the Endowment fund (as described in Note E), various grant funds that are to be restricted until the terms of the grant have been met, and Public Support contributions for the fall campaign that are considered to be with donor restrictions until the money is received and allocated in the following year.

#### Note H - Donated Services

For years ending June 30, 2023 and 2022, in-kind revenues have been recorded for financial statement purposes of \$1,000 and \$1,438, respectively, which represent the value of advertising services received. No other amounts have been reflected in the statements for donated services as no objective basis is available to measure the value of such services. However, a substantial number of volunteers have donated significant amounts of their time in the United Way's fundraising campaigns.

#### **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note I - Leases

The United Way of Greater Lima, Inc. leases office space from Pangle Community Service Corporation. The previous lease was in place through December 31, 2019 at an annual rate of \$26,532. The United Way leased the space on a month-to-month basis at a rate of \$2,211 per month through February 2021, at which time the Organization began leasing a smaller space at a new rate of \$1,333 per month. The Organization signed a new agreement with Pangle effective September 1, 2022 to lease the space at a rate of \$1,333 per month for a period of 60 months.

The United Way leases three printer/copier machines from Perry ProTech. In July 2020, the current lease agreement for two printer/copiers was signed at a monthly rate of \$679 for 60 months. The lease agreement for the third printer/copier was signed in June 2022 at a monthly rate of \$81 for 60 months. The United Way also leases one fax machine from Perry ProTech. The current lease agreement was signed in February 2021 at a monthly rate of \$27 for 53 months.

The future minimum lease payments as of June 30, 2023 are as follows:

| Year Ending June 30, |    | Amount   |
|----------------------|----|----------|
| 2024                 | \$ | 25,444   |
| 2025                 |    | 25,444   |
| 2026                 |    | 16,972   |
| 2027                 |    | 16,972   |
| 2028                 |    | 2,667    |
| Total                | 25 | 87,499   |
| Less: Effects of     |    |          |
| Discounting          | -  | (12,372) |
| Lease Liability      |    |          |
| Recognized           | \$ | 75,127   |

During the year ended June 30, 2023, the United Way recognized lease expense associated with operating leases of \$28,929. Because the United Way generally does not have access to the rate implicit in the lease or an incremental borrowing rate, the Organization utilizes the prime rate as the discount rate, which was 8.25% at June 30, 2023. The weighted average remaining lease term is 41 months.

### Note J – Expense Recognition and Allocation

The cost of providing the Organization's programs and other activities is summarized on a functional basis in the Statements of Activities and Statements of Functional Expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the functions benefitted using a reasonable allocation method that is consistently applied as follows:

### Notes to Financial Statements June 30, 2023 and 2022

#### Note J – Expense Recognition and Allocation (continued)

#### Salaries and Related Expenses

Salaries, health benefits, retirement, and payroll taxes are allocated based on the responsibilities of each employee.

# Rent, Telephone/Internet, Equipment Rental/Maintenance, Insurance, Technology Fees, and Depreciation

Rent, telephone/internet, equipment rental/maintenance, insurance, technology fees (included in professional fees) and depreciation are allocated based on square footage of each employee's office space. The costs associated with that employee are then allocated based on the responsibilities of that employee.

# Office Supplies and Printing, Fees and Dues, Local Transportation, Training, Meetings, and Events, Community Support, Campaign, Advertising, and Other Expenses

Postage and office supplies and printing are allocated 37.5% to program services, 12.5% to fundraising, and 50% to management and general.

Fees and dues, national dues, local transportation, trainings, meetings, and events, and community support are allocated entirely to program services. Campaign and advertising expenses are allocated entirely to fundraising. Accounting and audit fees and director's and officer's liability insurance are allocated entirely to management and general.

Every three years, or more often if program, personnel, or facility requirements change, the bases on which costs are allocated are evaluated. Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the organization. Fundraising expenditures and advertising costs are expensed as incurred.

#### Note K - Income Taxes

The Internal Revenue Service has determined that The United Way of Greater Lima, Inc. is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, though it will be subject to tax on income unrelated to its exempt purpose (unless that income is otherwise excluded by the Internal Revenue Code). Contributions to the Organization are tax deductible to the donors under Section 170 of the Internal Revenue Code. The Organization is not classified as a private foundation.

The Organization files a Federal Income Tax Return – Form 990 – Return of Organization Exempt from Income Tax and also annually files with the State of Ohio Attorney General under the Ohio Charitable Law section. The Organization's U.S. federal income tax returns for the years ended June 30, 2020 and prior are closed and are no longer subject to examination.

#### **Notes to Financial Statements**

June 30, 2023 and 2022

#### Note L – Commitments and Contingencies

The Organization is subject to other various claims, legal proceedings, and investigations covering a wide range of matters that arise in the ordinary course of business. In the opinion of management, all other such matters are adequately covered by insurance or by accruals and if not so covered, are without merit or are of such kind, or involve such amounts, as would not have a significant effect on the financial position or results of operations of the Organization, if disposed of unfavorably.

#### Note M - Concentration of Credit Risks

The United Way of Greater Lima, Inc. solicits funds for member agencies from individuals and businesses in and around the Lima area. Credit risks from pledges receivable are limited due to the large number of contributors and their dispersion across different business segments in the community.

Financial instruments that potentially subject the Organization to credit risk include cash on deposit with a financial institution exceeding the \$250,000 ceiling insured by U.S. Federal Deposit Insurance Corporation or National Credit Union Share Insurance Fund at June 30, 2023 and 2022. The Organization had no deposits exceeding the insured amount at June 30, 2023. The Organization had deposits exceeding the insured amount by \$240,279 at June 30, 2022. The financial institutions holding these deposits have a strong credit rating and management believes that the credit risk related to these deposits is minimal.

#### Note N – Prueter Fund Earnings

Per the Endowment Investment Policy, upon board approval, a portion of the income earned on the Prueter Endowment Fund can be used each year to offset the management costs of the Organization. The policy states that up to 80% of the income earned on the fund can be used by the Organization, while the remaining 20% of income must be reinvested. No funds were used by the Organization for this purpose during the year ending June 30, 2023. Funds used by the Organization for this purpose during the year ending June 30, 2022 totaled \$22,730.

#### Note O - Reclassification

During the course of the audit, it was found that donations received for Women's United were previously incorrectly classified as net assets without donor restrictions. The Statement of Activities for the Year Ended June 30, 2022 reflects a reclassification of Donations and Special Event income of \$5,294 to with donor restrictions, and a reclassification of the related expenses of \$4,917 as an increase to net assets released from restrictions. As a result, net assets without donor restrictions were decreased by \$377 at June 30, 2022.

# Notes to Financial Statements June 30, 2023 and 2022

# Note P - Subsequent Events

Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued. Nothing material was noted to be disclosed.

# Schedule of Allocations, Designations, and Grants - Schedule #1 Year Ended June 30, 2023

# Note to Schedules of Allocations, Designations, and Grants Years Ended June 30, 2023 and 2022

#### Note A - Grants

Endowment earnings are discretionarily added to a grant fund to be awarded to agencies and organizations for specific needs. Grants are generally split into two payments, and recipient programs are expected to meet goals as set forth at the time of the award to receive the second payment. As some programs fall short of the requirements set for remaining grant payments or program needs change, actual payments made can differ from the grant amounts originally awarded and expensed for the year. Additionally, the earnings added to the grant fund may differ from the total grants awarded for the year.
